## COURSES/DISCIPLINES

Each segment is 6 Disciplines. Two segments (12 Disciplines) is a 1 year degree program.

### F. MISSIONS – OVERSEAS MISSIONS

#### OVERSEAS MISSIONS (F-1)

#### OVERSEAS MISSIONS (F-2)

#### F. OVERSEAS MISSIONS (F-1)

**These 6 courses/disciplines put the fire in your heart for Missions Overseas.**

**Church Planting / Tent Making-1 [2 Disciplines] [CPTM-1]:** You are to find a church planting organization and get involved in what they are doing on a part time volunteer service. Learn about their ways, pray for their ministry, and be a blessing to them. Also find out more about Tent Making. Or you may want to “start” a church. 16 to 24 weeks required.

**Ministry Initiation & Fund Raising-1 [2 Disciplines] [MIFR-1]:** The anointed believer will be required to talk to and interview individuals who have initiated ministries in the past. They will interview different saints and ask about their mistakes, successes, and joys in starting a ministry. Then you will be required to share your vision and how you could best initiate it. Spend time praying together. You will be required to talk to individuals who have “raised funds” for their ministries. Then you are to either “raise funds” for a ministry of your choice or “raise funds” for ME-1 (the next PROGRAM in OVERSEAS MISSIONS). 16 to 24 weeks required.

**Servants for Christ-1 [2 Disciplines] [SFC-1]:** 1) This will be a very humbling experience. The servant of Christ will spend time in “sacrificial” servanthood each day. They will be required to do such things as cleaning toilets, mopping floors, serving at shelters, washing dishes, helping senior citizens, etc. 2) You will also be required to learn as much as possible about tending those who have been injured. You may either sign up for a weekend first aid course, or have a friend (nurse, emergency room worker, etc.) train you in first aid, or do your own research. We would also encourage you to “hang around” an emergency room some evening and pray for people. 16 to 24 weeks required.

#### F. OVERSEAS MISSIONS (F-2)

**These 6 courses/disciplines fan the fire in your heart for Missions Overseas.**

**Ministry & Encouragement-1 [3 Disciplines] [MAE-1]:** 1) This discipline will guide the child of God in learning about, practicing, and growing in encouraging others. This will include writing letters to missionaries, pastors, giving words of encouragement, etc. 2) The servant of God should find some children, teenagers, and adults to read to and teach reading to. [2 different “learn to read” Christian books will be provided.] 3) Finally, the child of God will be responsible to find a Christian barber or hairdresser. Then you will be asked to spend time working in their shop (for free). In return, you will ask the person to teach you the “basics” of cutting hair. The purpose of this course is to cut hair on the mission field for evangelism. 16 to 24 weeks required.

**Missionary Experience-1 [2 Disciplines] [ME-1]:** You are to prepare and go on an evangelistic missions trip either to a nearby city or overseas. You will either go alone or with a group. You will pray together, prepare and even contact a church or mission agency in another town. 16 to 24 weeks required.

**Bible Study Composition-1 [BSC-1]:** The believer will sit and write a Bible Study series to teach new Overseas Converts. Teach basic doctrines such as salvation, our identity in Christ, assurance of salvation, etc. As well, put together a Bible study that you feel would be beneficial to new converts that you minister to overseas. 16 to 24 weeks required.

## **MISSIONS - Overseas Missions (F-1)**

## **MISSIONARY INITIATION & FUND RAISING 1 [2 DISCIPLINES] (MIFR-1)**

# **STUDY GUIDE: MISSIONARY INITIATION & FUND RAISING 1**

## **(MIFR-1) [2 Disciplines]**

### **TEXTBOOK/MATERIAL:**

BIBLE [www.altogetherlovely.org/useful-links](http://www.altogetherlovely.org/useful-links) [www.altogetherlovely.org/resources](http://www.altogetherlovely.org/resources)

### **REQUIREMENTS:**

The anointed believer will be required to talk to and interview individuals who have initiated ministries in the past. They will interview different saints and ask about their mistakes, successes, and joys in starting a ministry. Then you will be required to share your vision and how you could best initiate it. Spend time praying together. You will be required to talk to individuals who have “raised funds” for their ministries. Then you are to either “raise funds” for a ministry of your choice or “raise funds” for Missionary Experience: ME-1 (F-2: the next PROGRAM in OVERSEAS MISSIONS).

### **INSTRUCTIONS:**

| * To begin, find one (or more) missionary and/or returned missionary to disciple you on a weekly basis. Find out how they started their ministry. Learn as much as you can.                                                                                                                                                                               |
| * Work with them 1 ¾ hours/week (24 weeks) or 3 hours/week (16 weeks).                                                                                                                                                                                                                                                                                    |
| * You may want to do the Bible Study below on “ploughing”.                                                                                                                                                                                                                                                                                                |
| * In F-2 of Overseas Missions you will take the discipline Missionary Experience ME-1. Here you will be going on a short term mission trip (to a local city or overseas). You will be required to “fund raise” for this short term mission trip. Pray about asking people to support the trip. Find “creative ways” to fund raise. Pray for God’s wisdom. |
| * You may want to read one of the recommended books at the end of this syllabus.                                                                                                                                                                                                                                                                          |
| * You may want to study Scripture about “missions” in the Bible (see also: New Unger’s Bible Dictionary, Fausset’s Bible Dictionary, Easton’s Bible Dictionary, Nave’s Topical Bible, Nelson’s Bible Dictionary under resources at the end of this syllabus).                                                                                             |
| * Complete the WEEKLY LOG each week [you can take 16-24 weeks].                                                                                                                                                                                                                                                                                           |

# *“ALTOGETHER LOVELY” BIBLE SCHOOL*

## **MISSIONS - Overseas Missions (F-1)**

## **SERVANTS FOR CHRIST 1 [2 Disciplines] (SFC-1)**

# **STUDY GUIDE:**

## **SERVANTS FOR CHRIST 1 (SFC-1)**

### **TEXTBOOK/MATERIAL:**

BIBLE [www.altogetherlovely.org/useful-links](http://www.altogetherlovely.org/useful-links) [www.altogetherlovely.org/resources](http://www.altogetherlovely.org/resources)

### **REQUIREMENTS:**

This will be a very humbling experience. The servant of Christ will spend time in “sacrificial” servanthood each day. They will be required to do such things as cleaning toilets, mopping floors, serving at shelters, washing dishes, etc. You could even find cleaning ladies, etc. with whom you can volunteer your services. Use your imagination: carry a street person’s bag, wash an elderly person’s clothes, push a wheel chair, etc.

You will also be required to learn as much as possible about tending those who have been injured. You may either sign up for a weekend first aid course, or have a friend (nurse, emergency room worker, etc.) train you in first aid, or do your own research. We would also encourage you to “hang around” an emergency room some evening also and pray for people. What a benefit to know how to help people who are injured and share the Gospel.

### **INSTRUCTIONS:**

|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| * Ask God to give you wisdom in developing this discipline. Ask God to lead you in finding different ways you can “humbly serve”. Some examples might be washing dishes, cleaning floors, cleaning bathrooms, serving at shelters for the homeless, helping with street missions, etc. |
| * Find different ways to serve others as well as get trained in first aid (a course, books, nurses, doctors, emergency rooms, volunteering at hospitals, hospice, etc.)                                                                                                                |
| * You may want to do the Bible study below on “SERVANTS”.                                                                                                                                                                                                                              |
| You should spend 3 ½ hours a week (24 weeks) or 5 hours a week (16 weeks).                                                                                                                                                                                                             |
| * Complete the WEEKLY LOG each week [you may take 16-24 weeks].                                                                                                                                                                                                                        |
| * 80-84 hours is required for these 2 disciplines.                                                                                                                                                                                                                                     |

### **GETTING THE MOST OUT OF THIS COURSE:**

In order to get the most out of this course, we recommend the following:

- Pray before you get started..
- Be focused on learning about servanthood (John 13) and first aid. .
- When you are finished, take some time to thank God for His power to help learn about helping others with first aid. As well, thank God for understanding in a deeper way of how Jesus left heaven and came to earth “to serve not to be served”. God is going to honor your desire to learn and work in His Kingdom.

### **ONE LAST NOTE**

If extra help is needed, feel free to contact your school leadership (Attention: Course Help). May the Lord bless you as you study and prepare this discipline. “He is altogether lovely” (Song of Songs 5:16).

|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| * To begin, pray about how to go about this course. Ask God to give you wisdom.                                                                                                                                                                                                                 |
| * Make a bible study using the two teachings above on the Bible: God's Word.                                                                                                                                                                                                                    |
| * Ask God is leading you in finding different ways you can HELP NEW CONVERTS OR IMMIGRANTS. REMEMBER, many new converts around the world don't have books, bible studies, internet, bibles, etc. You may want to just open your Bible and find ways to teach.                                   |
| * "MARK" your Bible with "LEADERS". Leaders are Bible verses. You write the word "God's Word" on the inside cover of your Bible. Then you write the first "God's Word" Bible verse down there. You go to that verse in your Bible. Besides that verse you write the next verse on "God's Word". |
| * You may want to do the Bible study below.                                                                                                                                                                                                                                                     |
| * 1 ¾ hours/week (24 weeks) or 2 ¾ hours/weeks (16 weeks) completes this discipline.                                                                                                                                                                                                            |
| * Complete the WEEKLY LOG each week [you may take 16-24 weeks].                                                                                                                                                                                                                                 |
| * 44 hours is the minimum required for this discipline.                                                                                                                                                                                                                                         |

|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| * To begin, find a missionary and/or returned missionary to disciple you on a weekly basis. You may want to meet with more than one missionary. This person will help prepare you for the mission trip you will take. You may want to go by yourself or find a group in your church, or start a group yourself.    Do this 2 ¼ hours/week (16 weeks) or 1 ½ hours/week (24 weeks). |
| * Contact a church, pastor, or mission agency in another town or area. Ask them if you can come for a weekend or a week to help minister in their church. Tell them you wish to serve and ask them how you can best prepare.                                                                                                                                                       |
| * Take time to prepare your finances, schedule, transportation, etc.                                                                                                                                                                                                                                                                                                               |
| * We also suggest you read one of the recommended books at the end of this syllabus.                                                                                                                                                                                                                                                                                               |
| * You may want to do the Bible Study on “Servants” in this syllabus.                                                                                                                                                                                                                                                                                                               |
| * When you go on your weekend or week trip, make sure you pray and fast before, during, and after the trip.                                                                                                                                                                                                                                                                        |
| * Complete the WEEKLY LOG each week [you may take 16-24 weeks].                                                                                                                                                                                                                                                                                                                    |
